## Don't be Timid About Your Dining Table

Protect your table tops by the use of Asbestos Table Mats. Many a time you have snatched up a hot dish from the table to save it. You have put extra pads at the places where hot dishes were to sit. With all this precaution your table is spotted. Did you ever think what a relief it would be if you could spread all over the surface of a table some substance impervious to heat?

### The Preventative

and safeguard against table top troubles is an Asbestos Table Mat. The hottest dish could be set or spilled anywhere on your table without damage to its finish. It costs nothing to look at these and may save you many dollars, which you would pay for one of these Mats, to own and use one in your own home.

"Forty-five Minutes From Broadway," presented by a characteristic George M. Cohan company of comedians, together with an elaborate production of the piece, will be the attraction at the opera house to-night.

With new and splendid pictures and with realistic sound effects, Lyman H. Howe's pictures were presented at the Barre opera house last evening under the auspices of Uniform Rank, Knights of Pythias, and were much enjoyed by a fair-sized audience. Perhaps the pictures of King George's recent coronation in England were the best of the lot, and they were very good.

Posters are out announcing the annual football game between Norwich university and Middlebury college to be played at Intercity park Saturday afternoon. The park has already been put into condition for the game and with the field cleared for action and both colleges planning to send delegations of rooters, Barre football fans many expect to witness a real contest. Word comes from Northfield that the military college men are in the pink of condition. Norwich's fine showing against Dartmouth this year has done much to augment her chances for the football supremacy of Vermont. Although Middlebury played Goddard to a tie last Saturday, the Addison county collegians are said to be in fine fettle and their prowess should not be underrated. The game is due to start at 3 o'clock.

"Snowbound With a Woman Hater."

This exceedingly amusing Vitagraph picture is full of comedy spirit of the best Vitagraph kind. Julia Swayne could hardly have a more charming part, nor play it better than she plays this young girl caught in the blizzard and forced to ask for shelter at the first house, the woman hater's. She played it as a young woman who was very sure of herself, yet very prettily. There was true humor in the breakfast scenes; there was more in the luncheon scene, and the dinner scene was best of all, though the scene in the kitchen was also very amusing. It is a well-conducted play from first to last and one that should greatly please cultivated audiences. It's at Dreamland.

These we will sell at one-fourth off from the regular price, to close in the next few days. Here is a chance for you to save some money.

We have just received a large invoice of the fall-weight Rubberized Coats. These Coats are made of a good weight rep with a good quality rubber back. We have just received another lot of those popular Children's Bestest Rubber-lined Capes. This is the make that is guaranteed not to crack or fade.

### Ladies' Wool Dresses

The ready-made Dress, both in silk and wool, is becoming more popular every season. This is partly because it is so hard to get goods made up, and partly because you can get so good a Dress at so small a price.

When you can get a good Serge Dress made in a good popular style and in a model that will fit perfectly, for only \$10.00, you can hardly bother spending your time making up the goods.

At \$12.00 and \$14.00 we can give you some very good values in Serge Dresses. These are Dresses that are made up by practical dress-makers. They will fit and have the style of the more expensive qualities.

At \$12.50 are a couple of good values in Serge Dresses that are entirely new and a little different. These are Dresses we were able to pick up in the show rooms and are entirely new.

At \$16.50 are a few new models that we consider very good. Are entirely new and of a quality of serge that it will be hard to duplicate at \$20.00 more.

At \$18.00 are a few good values in a fine Serge Dress. Are made in a very latest, tasteful style, and are an extremely new model.
